**Revised Total Coliform Rule (RTCR) Failure to Report Monitoring Events to the State that are Not Related to *E. coli*-positive Sample Results –  
Template 3-5**

**IMPORTANT INFORMATION ABOUT YOUR DRINKING WATER**

**Reporting Requirement(s) Not Met for CITY OF BUCKHOLTS**

**PWS ID 1660007**

We are required to report the results of monitoring of your drinking water for specific contaminants on a regular basis by SEPT 2020, DEC 2015. Results of regular monitoring are an indicator of whether or not your drinking water meets health standards. During SEPT 2020, DEC 2015, we did not report the results of monitoring for total coliform.

Our system failed to notify the state drinking water program as required by SEPT 2020, DEC 2015. Although public health was not impacted, as our customers, you have a right to know what happened and what we did to correct the situation.

**What should I do?**

There is nothing you need to do at this time. You do not need to boil your water or take other actions.

**What is being done?**

While we did not notify the state as quickly as we should have, we reported the results on 10/14/2020, 01/26/2016 and have returned to compliance.

If you have questions regarding this matter, you may contact:

Water System Official: Bill LAWSON

Area code + phone number: 512 740 9878

*\*Please share this information with all the other people who drink this water, especially those who may not have received this notice directly (for example, people in apartments, nursing homes, schools, and businesses). You can do this by posting this notice in a public place or distributing copies by hand or mail. \**
